

COX TO SPEAK IN ALL STATES

(CONTINUED FROM PAGE ONE)

his newspaper, the Dayton News. Tonight he motored 25 miles to Middletown, O., to make a brief address to friends and neighbors of his youthful days when he was a newsboy, printer's devil, school teacher and reporter in that city.

Harding Congratulates

Hundreds of telegrams, including congratulations from President Wilson and Senator Harding, were received during the day, but it was a physical impossibility for the Democratic nominee to answer many of them. Several volunteer clerks were kept busy opening them.

The Ohio governor spent all of yesterday afternoon and last night listening to reports of progress of the convention. He received the first news of his nomination from the Associated Press here in his newspaper office. Together with Mrs. Cox and a few close friends and his newspaper assistants, he had been watching the reports closely since the opening of the convention last week.

When the flash came announcing his nomination, the governor sat for a minute as though stunned.

Then he crossed the room and kissed his wife. His next act was to go to the composing room of his newspaper and shake hands with his printers. Later he walked several blocks to the home of his closest personal friends, John A. McMahon, 87, dean of Dayton attorneys, to whom he wished personally to break the news.

After a light breakfast, the governor visited the grave of his mother for a few minutes. She died at the age of 85, several years ago, after living to see him inaugurated governor for the first time.

Plans were being made by the Dayton Chamber of Commerce for a jollification in Dayton, at a later date, probably July 15.

When the news announcing his nomination was received, most Daytonians were in bed. The nomination of Governor Cox was the talk of the town. However, excepting for a picture of the governor on the front of his newspaper building along with late returns of the balloting, there was nothing to indicate that a Dayton citizen had been chosen for the highest honor the Democratic party can give.

Employees of his newspaper early in the day sent the governor a huge bunch of flowers. Moving pictures were made of him in the day, when he climbed the steps to the composing room of his newspaper to receive the congratulations and resolutions of support from his printers, all union men. In his talk to his newspaper employees Governor Cox said:

"The greatest gift that the Almighty God can give to any man in public life is to permit him to come into the world under circumstances which enable him to know the life status of the man who works. Providence was good to me—it was my high privilege to come through the ranks. I knew the torment of the boy who is without funds, and I know his anxiety as to how he will get an education that will help him achieve his ambitions. If nomination means election, I will take to the White House this best equipment for a man in public life, experience in the ranks with those who toil."

Welcomes Running Mate

Governor Cox tonight expressed his approval of Franklin D. Roosevelt as his running mate in the coming election.

A telegram of congratulation sent by Governor Cox to Mr. Roosevelt late this p. m. said:

"Please accept my earnest congratulations over that comes to you. I am very much delighted that we are associated in the campaign together."

"Mr. Roosevelt's speech before the national committee in Chicago last winter, made a very strong impression," said the governor.

"He spoke in Dayton last winter on Americanization and his address at that time was very favorably commented upon all over the country. His service at Washington has given him a wide experience and acquaintance."

The governor added that Roosevelt was a very good "stumper."

Governor Cox tonight wired E. H. Moore, his campaign manager at San Francisco, saying:

"Rarely, if ever, has the man who is at the right which you made been equalled in a national convention. Generally

matched support from the ranks and that is saying much for both. Congratulations and thanks."

CAMDEN, O., July 6.—The residents of this little town are bursting with pride tonight. They claim for themselves some of the honor attendant upon the residence here of Gilbert Cox, father of the Democratic presidential nominee, Governor Jas. M. Cox of Ohio.

Mr. Cox, who is 87 years old, was sitting on the porch of his modest home this afternoon when an Associated Press correspondent called on him. "I am the happiest and proudest man in the country tonight, and I hope and know that Jim will be as good a president as he has been a son," said Mr. Cox. Word came as the members of the Cox household were at the breakfast table about 7 a. m.

"I didn't know what to say," confessed the Democratic nominee's father. "I only know I am very happy and proud and know Jim will be a good president."

Asked if he would go to Washington to witness the inaugural ceremony if his son be elected, Mr. Cox said:

"I don't know. I'd like to go one better than Dr. Harding, who said he would drive his hay in the parade but I am getting along in years now."

All day long a stream of neighbors and visitors have been pouring into the Cox home congratulating the governor's father and predicting the election of his son.

One elderly Dayton woman, Mrs. D. Mickey, climbed the steps to the governor's office in his newspaper building today to leave him a rubber horseshoe for luck.

Scott W. Cox, an older brother of the governor, employed on the Dayton News, was one of the governor's callers during the afternoon. He said he had purposely delayed his congratulations "until Jimmy was through" receiving felicitations from others.

SPORTS—MEASURE

REED REJOICES IN NOMINATION

Congratulates Governor Cox
And the Country; Predicts
His Election

(Associated Press Leased Wire) KANSAS CITY, July 6.—United States Senator James A. Reed of Missouri tonight sent a telegram to Governor Cox of Ohio congratulating him and the country upon his selection as the Democratic nominee. The telegram follows:

"Send my sincerest and heartiest congratulations to you upon your great victory against what seemed to be overwhelming odds. I congratulate the country because I am convinced that you will always maintain and defend our nation and will never consent to the surrender of any part of its sovereignty or the abandonment of those great international policies of the fathers, under which we have achieved unexampled greatness and power."

Senator Reed in a telegram to Edward R. Moore, national committee man from Ohio, declared the nomination of Governor Cox "had sent a thrill of delight through the Democracy of Kansas City which is prophetic of victory in November."

The Missouri senator left tonight for Chicago where he will participate in the hearings of the senate committee investigating presidential campaign expenditures which will be resumed tomorrow.

LEAVING FOR HOME

SAN FRANCISCO, July 6.—By adding more cars to regular trains and putting on extra sections, passenger traffic officials of the Southern Pacific, Santa Fe and Western Pacific, expected to start all of the Democratic convention delegates on their homeward way tonight and tomorrow without delay or congestion. No special trains were considered necessary tonight, although a special left tonight with visitors who could wait for the final sessions. Outside of this there was no hurry to get home, officials said. Cancellations came for the morning trains today from people who said they overslept after the long nomination session. Many delegations reserved accommodations for an excursion to the Yosemite Valley today, before returning home.

SELECT CHIEFS FOR TEAMS AT OLYMPIC GAMES

(Associated Press Leased Wire) NEW YORK, July 6.—The American Olympic committee which is making arrangements to have the United States thoroughly represented at the Olympic games at Antwerp, Belgium, held an all day session today at the New York Athletic club. It was a joint meeting of the nomination, selection and executive committees.

A great deal of important business was disposed of.

The marathon team was selected; managers and coaches for the different teams appointed and an appeal for "generous subscriptions of Americans who wish a full complement of team members in every branch of sport sent across to do justice to the athletic supremacy which the United States representatives have won and upheld since the revival of the Olympic games at Athens in 1906."

It is estimated that \$200,000 will be required to send full teams in each branch of sport.

GIVE GERMANY AN ULTIMATUM

(CONTINUED FROM PAGE ONE)

appear unwilling for their people to see how difficult their position is.

The most dramatic moment of the session was when Mr. Lloyd George said:

"I don't believe that the Germans intend to execute the treaty."

The German foreign minister interrupted, saying:

"You have no right to make such a remark. We are trying to execute the treaty."

Chancellor Fehrenbach, invoking the name of the Creator, cried:

"We are loyally trying to execute the treaty."

The question of the execution of the military, naval and aerial clauses of the Versailles treaty was taken up immediately after the formal meeting opened at 4:30 p. m.

Minister of Defense Gessler explained the German situation, in support of the contention of the German government that it must have an armed force of 200,000 men to maintain order in the republic. He said there was little difference whether the force was labelled police or army as long as the men were under control of the government.

M. Delaroux, Belgian premier and Premier Lloyd George insisted upon the necessity of the Germans fixing an early and precise date for the execution of the treaty. Mr. Lloyd George even suggested that in the absence of a precise statement from the Germans it might be preferable to close the conference.

Finally, it was decided after an explanation by Chancellor Fehrenbach, who assured the conference of the pacific intentions of the German people, to adjourn until 4 p. m. tomorrow to hear the precise reply from the Germans.

Postpone Cases of California Firms

(Associated Press Leased Wire) LOS ANGELES, July 6.—The indictments alleging profiteering in violation of the Lever act returned by the federal grand jury here June 14 against the Globe Oil Mills and the Gore-Hartman Gins, Imperial Valley concerns, were scheduled to come up on demurrer today before Judge Bledsoe in the district court but were continued until July 12.

These indictments were against the companies only, and not against the officers of either, as previously erroneously announced. The officers of the Globe Oil Mills, W. E. Keller, president; A. H. Morgan, vice president, and A. D. Buckley, secretary and treasurer, were not indicted. Neither were W. J. Hartman, president and Robert G. Gore, secretary-treasurer of the Gore-Hartman gins.

PLAN TO OPEN WHEAT MARKET

Committees from Many Grain
Exchanges Agree on Basis
For Trading

(Associated Press Leased Wire) CHICAGO, July 6.—Plans for re-opening trade in wheat futures on July 15 virtually were completed today at a meeting of a committee of 16 representing the eight leading grain exchanges of the country. An advisory committee of 31, composed of representatives of all wheat interests, was expected to approve the recommendations of the exchange committee at a meeting here tomorrow.

New changes were made in the committee plans decided upon several weeks ago provide for trading in December delivery at the start.

Should it be deemed advisable to trade in a delivery earlier than December, the proposal will be considered by the exchange committee.

Representatives at today's meeting said the various grain exchanges were preparing for a re-opening of the market after three years' suspension. Chicago exchange rules provide for delivery of a large number of grades, and other exchanges are planning to change their rules providing for the delivery of number 3 grades of wheat on contract at a penalty of five cents.

Minneapolis, Duluth and Kansas City have posted the proposed changes for adoption. Minneapolis will make its contract grade No. 1 northern spring wheat, with No. 2 northern deliverable at two cents less and No. 3 at seven cents under the No. 1, or five cents

OFFER CHANCE TO BILL BORAH AND JIM REED

Committee of Forty-eight
Have Scheme to Destroy
The Old Parties

(Associated Press Leased Wire) SAN FRANCISCO, July 6.—Third party proponents see in the results of the Democratic national convention the certainty of a new political party, according to a statement issued here tonight by Howard Williams, national vice chairman of the committee of 48, which has called a convention in Chicago July 10 to 14 for organization of a new party and selection of candidates for president and vice president of the United States.

The statement tonight says in part: "The Republican convention adopted a reactionary platform and elected a typical old guard candidate. The people expected relief from the Democratic convention and again their hopes are shattered."

"False issues were created. Real issues, those of concern to average people, were disregarded intentionally. A colorless candidate of the conventional type was selected finally by worn-out delegates in the small hours of Tuesday morning. In the Democratic convention as in the Republican everything that savored of liberalism was stifled. There is nothing to choose between either party. Both are bankrupt of democratic purpose. The people of the country now demand a genuine opposition party. They demand

below the No. 2 winter wheat is to be made deliverable on contracts at Minneapolis at five cents under spring, with the penalty for the other grades on the same basis.

Little Railroads Of Arizona Want To Stop Operation

(Associated Press Leased Wire) PHOENIX, July 6.—Several cases were heard in Prescott by David F. Johnson, member of the corporation commission, who returned to Phoenix today. He said orders would be entered later. One related to an application by the Santa Fe, Prescott and Phoenix railroad company to discontinue service on its Poland branch. The branch line has been in operation since 1909. The company set forth that the line had never paid, that its roadbed was now in a dangerous condition, and that if the company were obliged to continue service, it would have to spend about \$33,000.

O'NEILLE, Neb., July 6.—Eugene H. Smith, president of the Farmer's State bank of Page, Nebraska, was found dead today in a pasture on the outskirts of the town. His head, arms and shoulders were submerged in a barrel of water. He had been in ill health for several months.

COUNCIL LACKS QUORUM

A meeting of the city council that was to have been held last night was postponed on account of a lack of a quorum. Councilmen Rosok and Reed are out of town and Dr. Hunt could not be found.

A new party which will regard sincerely the interests of the voters, a party which offers a constructive progress and offers relief from the tyranny of the 'two party system.' Such a party will be organized. Now is the time."

The statement also bore the signatures of Amos Pinchot, George L. Record, and J. A. H. Hopkins.

GRONNA LOSING
FARGO, N. D., July 6.—Dr. E. F. Ladd, non-partisan league candidate for the Republican nomination for United States senator, increased his lead over Senator A. J. Gronna to more than 2000 votes on additional returns from Wednesday's primary, received late tonight. League men declared this virtually assures his nomination as the remaining districts to be heard from are in territory favorable to the league.
